

IN THE SPECIFICATION

Please replace the following "Brief Description of the Drawings" of Figs. 1-5 for the "Brief Description of the Drawings" on page 4 of the specification.

BRIEF DESCRIPTION OF THE DRAWINGS

Figure 1 is a diagram illustrating the bellows metallic tube hose of the present invention.

~~Figure 2~~ Figures 2(A) and 2(C) are partial perspective views of the metallic tubular hose of Figure 1 and Figure 2(B) is a cross section sectional view of a major portion of the bellows metallic tube of Figure 4 2.

Figure 3 is a diagram illustrating a major portion of an alternate embodiment of the present invention.

~~Figure 4 is a diagram~~ Figures 4A and 4B are diagrams depicting the bellows metallic tube hose being before and after it is stretched or shrunk respectively.

~~Figure 5 is a diagram~~ Figures 5A and 5B are diagrams illustrating a potential problem in the comparative hose configuration of Figure 3.
